

§ 108A-144. (Effective July 1, 2021 – see note) Use of funds.

The proceeds of the assessments imposed under this Part, and all corresponding matching federal funds, must be used to make the State's annual Medicaid payment to the State, to fund payments to hospitals made directly by the Department, to fund a portion of capitation payments to prepaid health plans attributable to hospital care, and to fund the nonfederal share of graduate medical education payments. (2020-88, s. 15.1(b).)
